

**San Antonio – AATSP 2013
Missions and Historical Sites**

You will need the following app for your iPhone or Android device – search for it in the app store:

SCVNGR

For this activity, we will begin at the Marriott River Center. While at the Marriott River Center, open the app and select Treks. Search for “San Antonio AATSP 2013” then, begin visiting the sites suggested.

You will need to scan these QR Codes at appropriate times and places to help you along in the trek and to learn more about the places you are going.

In order to scan QR codes, you need to download a QR Code Reader App from your app store.

Misión San José

Misión Concepción

Please write things you have experienced along the way.

Useful tools for creating a Trek or Challenges on SCVNGR:

SCVNGR account – you can't create these without one! - www.scvngr.com

QR Code Generator

<http://qrcode.kaywa.com> - you need an account

<http://www.the-qrcode-generator.com> - you can create visual QR Codes

<http://www.qrstuff.com> - Free!! – this is the site used here

Important note: please try to save QR codes as **.png** files, they are easier to place in documents, BLOGS, and websites.
